

Curriculum Overview for Parents

English:

We will be using *The Great Chocoplot* by Chris Callaghan to support our reading and writing next half term. We will then create a non-chronological report about the history of chocolate.

History

We will be learning about the Ancient Maya and how their lives have changed. We will also learn about the history of chocolate and their impact on our lives today.

ART

We will be learning about art influences with a focus on Andy Warhol and Pop Art.

Science

In science we will be looking at Living Things and Their Habitats and creating classification keys to identify and sort animals into different groups. We will also think about how we can protect the environment that animals live in.

Music

We will be learning folk dances from around the world.

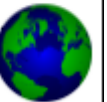

Religious Education

We will be studying Christian stories and understand how these influence Christians.

Me In My World

In this unit, we will be learning about safety.

Physical Education

We will be learning to participate in a range of athletics and improving our jumping and throwing techniques.

Year: Year 4
Term: Summer 1 2025

Maths

We will be focusing on shape and symmetry and continue our multiplication practice.

Computing

Programming, through repetition in games. Design and create a game which uses repetition, applying stages of programming design throughout.

Modern Foreign Languages: Spanish

We will be learning to identify weather and produce weather forecasts in Spanish.
