

<p style="text-align: center;">English</p> <p>This half term the children will read <i>The Pirates Next Door</i> and <i>Pirate Poetry</i>. They'll write stories, reports, poems, and even a wanted poster!</p>	<p style="text-align: center;">Mathematics</p> <p>In Maths we'll begin with measurement—mass, capacity, and temperature—using grams, kilograms, litres, and millilitres. Later, children will explore numbers up to 1,000 and build their place value understanding.</p>	<p style="text-align: center;">Science</p> <p>This half term's topic is <i>Animals Including Humans</i>. Children will learn about life cycles, human growth, and the basic needs for survival.</p>	<p style="text-align: center;">Me in My World</p> <p>In MIMW, our topic is <i>Safety First</i>. Children will learn about staying safe at home and outdoors, including road safety and emergency services.</p>
<p style="text-align: center;">Computing</p> <p>In Computing this half term, the children will create a presentation using Google Slides about their trip to the Lichfield Garrick. They'll practise using slides, adding content, and presenting their work.</p>	<p>Year 2</p> <p>Summer 1 2026</p> <p>Curriculum Overview for Families</p>		<p style="text-align: center;">Geography</p> <p>During this half term, we will be learning about life in Jamaica, exploring its location in the Caribbean, climate, farming and the city of Kingston, while comparing similarities and differences with life in the UK.</p>
<p style="text-align: center;">Physical Education</p> <p>This half term's focus is <i>'Ball Skills 3'</i>. Children will practise throwing, controlling balls, and using rackets through fun games and activities.</p>	<p style="text-align: center;">Religious Education</p> <p>In RE, we will learn about Muslims and how they follow Islam, the importance of the Prophet Muhammad, the Five Pillars, prayer, fasting, charity, and how these guide daily life and worship.</p>	<p style="text-align: center;">Music and Performing Arts</p> <p>Music lessons will link with class topics. Children will explore rhythm, melody, and performance through fun, creative sessions.</p>	<p style="text-align: center;">Design Technology</p> <p>In D&T we'll explore the theme of <i>'Kites'</i>. Children will design, build, and test their own kites, then evaluate their creations.</p>
