

# Curriculum Overview for Parents

**Year: Year 6**  
**Term: Autumn 2 2025**

## English

In English, we will be reading and unpicking the non-fiction text: *The Origin of Species* by Sabina Radeva, supported by our knowledge gained in Science in Autumn 1. We will use this text to independently write a non-chronological report. We will also delve into the classic, 'A Christmas Carol' by Charles Dickens and write a narrative letter from Jacob Marley.

## Maths

In maths this half term we will be focussing our learning on place value and refining our mathematical skills with the four operations (addition, subtraction, multiplication and division). We will be learning how to apply these operations across a range of questions.

## Geography/History

We will be learning about the physical geography of the Amazon Basin and threats facing the rainforest.

## Art/Design and Technology

In Design and Technology, we will be investigating a range of soup flavours. We will then prepare, create and evaluate our soups.

## Science

In Science, we are looking at the circulatory system, the functions of the blood and how we can keep our heart healthy.

## Music

In Music, we will be investigating Samba music.

## Religious Education

In RE, we are learning about spirituality and the meaning of Christmas.

## Me In My World

In MIMW, we are understanding emotional scales and learning calming strategies.

## Physical Education

In PE, we are performing gymnastic sequences.

## Computing

In Computing, we are investigating the different Google softwares and their appropriate uses.

## Modern Foreign Languages

In Spanish, we will be learning to read and extract information from a Spanish text.
