'Do the right thing to be the best you can be'...

5th November 2021

Black History Month is an annual observance originating in the United States, where it is also known as African-American History Month. It has received official recognition from governments in the United States and Canada, and more recently has been observed in Ireland, and the United Kingdom. It began as a way of remembering important people and events in the history of the African diaspora.

During October, we celebrated Black History Month. Over the month, each year group focussed on a different area to celebrate the contribution of black people to British History.

Year 1 explored the African folktale of Anansi the Spider.

Year 2 made African necklaces.

Year 3 learned about African masks and made their own African masks inspired by the designs they looked at.

Year 4 learned about famous Black musicians.

Year 5 studied the Windrush generation.

Year 6 created their own African Art.

We then shared all of our work in a whole school exhibition and each class visited to enjoy the display.

SPOTLIGHT

What have our year groups been focusing on this week and what the focus is next week....?

Year 1

This week Year 1 has been following a map to find the different points around the school.

Next week in Year 1, we will begin to use a compass.

Year 2

This week Year 2 programmed our characters on ScratchJr to move. Year 2 were able to explain that computers need to be given simple instructions to do something - this is called an algorithm.

Next week in Year 2, our English learning will focus on writing a re-tell of 'The Flower' by John Light.

Year 3

We have made a great start to our story, the Lion the witch and the wardrobe.

Lucy has just found the wardrobe and is about to enter into it.

Next week we are looking forward to practising our reading skills using the book Narnia and begin planning our own story.

Year 4

We have enjoyed plenty of outdoor learning in Year 4 this week, both on school grounds, and off-site. We have enjoyed getting to know each other better and have developed our team-working skills; resilience and got to know a few worms along the way!

Next week in Year 4, our English focus will move to non-fiction with research and presentation of information about Alaskan animals - linked to our class text 'Eye of the Wolf'.

Year 5

This week Year 5 have been enjoying their new book 'FARTHER' by Grahame Baker-Smith. Their enthusiasm is infectious as they are all asking relevant questions and predicting what might happen.

Next week Year 5 will be using an atlas to locate our capital city London and will be finding out what there is to see and do there.

Year 6

This week, Year 6 have been getting excited about our upcoming theatre trip to see

'The Magician's Elephant' in Stratford.

We are looking forward to learning more about our circulatory system in Science.

Thank you

What an amazing morning we have had in school supporting BBC Children In Need: 'It's the BIG fancy dress singalong!' Pupils and staff at Ryders Hayes sang, signed and danced to Tom Grennan and Calvin Harris song 'By your side' at 9.40am LIVE on BBC WM Radio! We hope you were able to hear us when it was live on the radio.

You can see the live Facebook stream on the link below:

We would like to thank our parents and carers for helping prepare their children, by learning the song, signing and providing their amazing Pudsey-themed outfits today. The children made us so proud!

Remembrance Garden: Poppy display

Thank you for all of your efforts and contributions to create our Poppy display in our Remembrance Garden. We have received so many lovely poppies from our talented families which makes this area of school even more special.

Children will be adding the to display in the coming week with their class poppies so we are ready to gather together in remembrance for 11th November.

Thank you for your contributions efforts.

Mrs Deeley

On Monday 15th November we are asking children to wear odd socks in recognition of Anti-Bullying Week. We will be completing activities in school and look forward to sharing these with the children.

If you would like to make a donation of £1 to the Anti-Bullying Alliance you can do this on Parentmail.

Thank you for your support and we look forward to seeing the children's bright, colourful ODD socks!

Mrs Willis

Dear Parents/Carers,

WOOHOO... MONDAY 15TH NOVEMBER IS ODD SOCKS DAY!

WHAT IS ODD SOCKS DAY?

Odd Socks Day is part of Anti-Bullying Week! To celebrate that we are all unique, we ask that children wear odd socks to school on Monday 15th November. Last year over 13,000 schools took part in Odd Socks Day. Andy Day (Cbeebies/cbbc) and his band Andy and the Odd Socks are supporting the Anti-Bullying Alliance to help bring Odd Socks Day to life again this year. Have a listen to the brilliant song they have recorded especially for Anti-Bullying Week, **One Kind Word**.

WHY IS ODD SOCKS DAY IMPORTANT?

The day sends an important message to pupils that they should be allowed to be themselves free from bullying and helps us celebrate Anti-Bullying Week in a fun and positive way.

WHAT DO WE NEED FROM YOU?

It's so easy 😊 Here's what you do:

1. Make sure your child wears odd socks to school
2. Donate £1 to help the Anti-Bullying Alliance carry on important work
3. If you want to, you can share a photo online using **#OddSocksDay**, **#AntiBullyingWeek** and tag **@AndyOddSock** and **@abaonline** on Twitter. Or **@andyandtheoddssocks** and **@antibullyingalliance** on Instagram.

Monday
15
November

THANK YOU, THANK YOU, THANK YOU!

Every penny goes to the Anti-Bullying Alliance to help continue all their work. We can't wait to see all the Odd Socks on Monday 15th November ...

If you have any questions please ask:

What Parents & Carers Need to Know about

SNAPCHAT

AGE RESTRICTION
13+

Snapchat is a photo- and video-sharing app which also allows users to chat with friends via text or audio. Users can share images and videos with specific friends, or through a 'story' (documenting the previous 24 hours) visible to their entire friend list. Snapchat usage rose during the pandemic, with many young people utilising it to connect with their peers. The app continues to develop features to engage an even larger audience and emulate current trends, rivaling platforms such as TikTok and Instagram.

CONNECTING WITH STRANGERS

Even if your child only connects on the app with people they know, they may still receive friend requests from strangers. Snapchat's links with apps such as Wink and Hype have increased this possibility. Accepting a request means that children are then disclosing personal information through the story, Spotlight and Spotlight features. This could allow predators to gain their trust for sinister purposes.

EXCESSIVE USE

There are many features that are attractive to users and keep them excited about the app. Snap streaks encourage users to send snaps daily. Spotlight Challenges give users the chance to obtain money and online fame, and the Spotlight feature's scroll of videos makes it easy for children to spend hours watching content.

INAPPROPRIATE CONTENT

Some videos and posts on Snapchat are not suitable for children. The hashtags used to group content are determined by the poster, so an innocent search term could still yield age-inappropriate results. The app's Discover function lets users swipe through snippets of news stories and branding articles that often include adult content. There is currently no way to turn off this feature.

SEXTING

Sexting continues to be a risk associated with Snapchat. The app's 'disappearing messages' feature makes it easy for young people (teens in particular) to share explicit images or videos. While these pictures do disappear – and the sender is notified if it has been downloaded first – users have found alternative methods to save images, such as taking pictures with a separate device.

DAMAGE TO CONFIDENCE

Snapchat's filters and lenses are a popular way for users to enhance their 'selfie game'. Although many are designed to entertain or amuse, the 'beauty' filters on photos can set unrealistic body image expectations and create feelings of inadequacy. Comparing themselves unfavorably against other Snapchat users could threaten a child's confidence or sense of self-worth.

VISIBLE LOCATION

My Places lets users check in and search for popular spots nearby – such as restaurants, parks or shopping centres – and recommend them to their friends. The potential issue with a young person consistently checking into locations on Snapchat is that it allows other users in their friends list (even people they have only ever met online) to see where they currently are and where they regularly go.

Advice for Parents & Carers

TURN OFF QUICK ADD

The Quick Add function helps people find each other on the app. This function works in two ways: either by whether someone's number is in your child's contacts list. Explain to your child that this feature could potentially make their profile visible to strangers. We recommend that your child turns off Quick Add, which can be done in the settings (accessed via the cog icon).

CHOOSE GOOD CONNECTIONS

Snapchat has recently announced that it is rolling out a new safety feature: users will receive notifications reminding them of the importance of maintaining connections with people they actually know well, as opposed to strangers. This 'Friend Check Up' encourages users to delete connections with users they rarely communicate with, to maintain their online safety and privacy.

TALK ABOUT SEXTING

It may feel like an awkward conversation (and one that young people can be reluctant to have) but it is important to talk openly and non-judgmentally about sexting. Discuss the legal implications of sending, receiving or sharing explicit images, as well as the possible emotional impact. Emphasize that your child should never feel pressured into sexting – and that if they receive unwanted explicit images, they should tell a trusted adult straight away.

CHAT ABOUT CONTENT

Talk to your child about what is and isn't wise to share on Snapchat (e.g. don't post explicit images or videos, or display identifiable details like their school uniform). Remind them that once something is online, the creator loses control over where it might end up – and who with. Additionally, Snapchat's 'Spotlight' feature has a challenge like TikTok: it's vital that your child understands the potentially harmful consequences of taking part in these challenges.

KEEP ACCOUNTS PRIVATE

Profiles are private by default, but children may make them public to gain more followers. Your child may send Snaps directly to friends, but Stories are visible to everyone they have added, unless they change the settings. If they use Snap Maps, their location is visible unless 'Ghost Mode' is enabled (again via settings). It's prudent to emphasize the importance of not adding people they don't know in real life. This is particularly important with the addition of My Places, which allows other Snapchatters to see the places your child regularly visits and where they hang out. Bullies and groomers could use this information to engage in conversation and arrange to meet in person.

BE READY TO BLOCK AND REPORT

If a stranger does connect with your child on Snapchat and begins to make them feel uncomfortable through bullying, pressure to send explicit images or by sending explicit images to them, your child can select the three dots on that person's profile and choose 'block' or 'report'. There are options to state why they are reporting that user (displaying of malicious messages, spam, or masquerading as someone else, for example).

Meet Our Expert

Dr Claire Buchanan is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.
