

Sunday, 24<sup>th</sup> January 2021

Dear Parents/Carers,

#### CLOSURE DUE TO ICY CONDITIONS IN THE MORNING

After discussion with the Chair of Governors and having seen the state of the side roads and the forecast of -3 degrees at school time in the morning, not expected to rise above freezing until the afternoon, we have taken the difficult decision to close school tomorrow, as we do not feel that it will be safe to attempt to access the site from any direction.

We are aware that this will cause difficulties for a number of families, and so wanted to let you know of our decision in good time, so that you can make the necessary arrangements for tomorrow.

**Live-learning will still be taking place remotely tomorrow and all children will be asked to join their Classroom Meet as normal at the usual time. Class teachers will add to the classroom stream the log-in details for those children who are usually in school, as well as a timetable for the day.**

**The meet link will be posted onto the stream by the class teacher later tonight. There may be some changes tomorrow to the usual teaching and learning due to teachers delivering from home, so please bear with us, but we will be providing remote learning for all our children, whether they would normally have been in school or working from home.**

We are fairly confident, according to the forecast, that we will be able to re-open on Tuesday for those families who would be expecting their child/ren to be in school this week. We will confirm our intention to re-open on **Tuesday 26th January, by 5pm tomorrow.**

We apologise for any disruption and inconvenience this may cause,

Regards,

Sally Miner & Jaz Paul
