

Merrisha Gordon – Parent Trustee

I have over twenty years' experience of leading Children's Services and now run my own business providing coaching and consultancy in the public sector. I took up the role of Parent Trustee as it is clear that Ryder's Hayes is an excellent school and I wanted to play a part in supporting this excellency. My own child started with the school in 2022, and I have witnessed first-hand the support with transition, excellent teaching, and happy and confident children who are encouraged to thrive.

I was keen to take up the role as Parent Trustee as I am genuinely passionate about ensuring that all children, regardless of background, gender, and socio-economic status, have an opportunity to thrive in a truly inclusive environment.

As Parent Trustee I have the opportunity to bring a parent's perspective to the leadership team and to contribute to the strategic direction of the school. I am really excited to play more of a role in the school's community over the forthcoming years.
