Skills I Have	<p>Which skills do you already have?</p> <p>The skills that I feel most confident in are: listening as I rated myself at step 6 for this. Creativity as I rated myself at step 5 for this.</p>	<p>Where/how have you developed these skills?</p> <p>I have developed the skill of listening through paying attention in class. I know that to learn and to understand what I need to do – listening is crucial. As I am passionate in Art, I feel that I have developed a lot in this area.</p>	<p>Are there any skills that you did not realise you had until you discussed this sector with employees?</p> <p>I did not realise that I had the skill of presenting until we had to present back about our employee visitors. We also worked hard together so our teamwork skills were developed.</p>
Skills I Need	<p>Which skills will you need for the future?</p> <p>Skills that I need for the future include aiming high as sometimes I can find work tricky and feel like I want to give up. This also links with problem solving as I don't always enjoy solving problems in Maths.</p>	<p>Using the <i>Skills Builder Ladder</i> to help you find what steps you are currently at.</p> <p>Listening: step 6 Presenting: step 4 Problem solving: step 3 Creativity: step 5 Staying Positive: step 5 Aiming High: step 3 Leadership: step 4 Teamwork: step 4</p>	<p>What skills do you now know are necessary for you to develop?</p> <p>I think staying positive is one of the most important skills because it is important in the Public Sector to remain positive in all situations such as being in the Police.</p>
Action Plan to develop the skills I need for 2030	<p>How can I develop the skills?</p> <p>For the skill of aiming high, I must push myself in every challenge, make sure that I complete all of my work to the highest standard and ask for support to reach my potential.</p>	<p>Who can help me to develop these skills?</p> <p>My teacher can help to support me in aiming high as well as my learning partners who can make sure I am pushing myself at all times.</p>	<p>Are there any other skills you would now like to develop?</p> <p>I think that I need to develop in the skill of staying positive as it is necessary in all jobs for the Public Sector as well as many others.</p>
