

Connie Beirne

Chair of Trustees

Profile

I have over thirty years experience in education. I began to work with the school in 2015 and established a highly successful partnership. It is clear from my 5 year relationship with the school that the children are enjoying their educational experience, are confident, happy, resilient and highly successful.

I took up the Chair role in January 2020 as I am passionate about making sure children are given every opportunity to be their best! As Chair, I am responsible for ensuring the effective functioning of the board and help facilitate the Trust Board to work as a team to challenge, support and contribute to the strategic leadership of the school.

I see the role as a privilege in enabling me to continue working with the school community. It is a vibrant, exciting and wonderful school to be part of.
